

About Mozes, Inc.

Founded in 2005, Mozes, Inc. is a privately held company based in Palo Alto, CA, that connects people to each other and to things they love using the mobile phone and the Internet. Using Mozes, anyone – from brands to bands and fans – can create and manage interactive text message-based mobile campaigns and promotions. Mozes is permission-based, spam-free and cost-free to consumers. Initially focused on the music industry, Mozes works alongside some of the world's fastest rising bands and leading record labels.
